To Whom It May Concern:

On Monday, January 20, 2018, I received notice via email that the MV Dante, owned by Nautical Solutions, LLC, would be making a voyage into the US ECA without low-sulphur diesel. The voyage was estimated to take approximately ten days.

Attached you will find, in addition to this certification letter:

1. MV Dante's voyage plan from Chaguaramas, Trinidad to Port Fourchon, LA
2. Contact information for the fuel supplier in Trinidad
3. FONAR/FOND spreadsheet completed
4. Spec sheet for diesel fuel onboard currently

I certify under penalty of law that the statements and information made herein are, to the best of my knowledge and belief, true and complete. I am aware that there are significant penalties for knowingly submitting false statements and information, including the possibility of fines and imprisonment pursuant to 18 U.S.C. § 1001.

Sincerely,
